RUMANIA

Besides the many orphaned street children, Father Don Demidoff also cared for impoverished extended families and was welcome to be their councillor.

The children's charity „**Casa Don Bosco**“, founded by the on June 27, 2011 deceased **Father Don Demidoff**, is an ecumenical relief organisation. It helps orphans and needy children of impoverished families with food, clothing, toys and much more. For more than 20 years, Father Don Demidoff took care of needy children in Rumania. The families from the surrounding villages around Iakobeni/ Jakobsdorf are grateful that they can continue harvesting what Father Don Demidoff has sown with the help of Jesus Christ.

The current responsible persons, Minodora Stanut and Sabin Muntean, are the new chairmen of the foundation, which has been renamed „**Social-Humanitarian League Father Don Demidoff**“. They now form the core of the activities in Jakobsdorf. From Germany, the relief organisation is supported by the Evangelisch-Lutheran parish of Lichtenstein (Saxony). Churchmembers regularly drive relief supplies to the social center in Jakobsdorf.

Until 2015, the EMG supported the foundation „**Casa Don Bosco**“ in Romania with money- and donations in kind.
